Sum Insured – The sum insured for each model should be based on the model's current market value, that is the price which could be obtained if the model was put up for sale or the price which would have to be paid to buy a similar model in a similar condition plus, if required, an amount in respect of professional repairs

The sum insured for ancillary equipment (spare parts, tools, equipment and the like including blowers, firing tools, flue brushes, lifting/carrying trolleys/cases, radio control equipment general tools, oil, coal, etc. etc.) should represent the maximum value of ancillary equipment that is likely to be away from the home at any one time.

Loss or damage resulting from Boiler Explosion: The insurers shall not be liable for injury or damage caused by boiler or pressure vessel explosion unless:

Claims – The theft of a model must be reported to the police. It is recommended that you photograph models, note any distinguishing features such as one-off modifications and mark the model with your post code – such information and marking will be of considerable use in the event of theft. In respect of models the amount payable in the event of a total loss claim (for example a theft) will be the sum insured and the amount payable in the event of a partial loss claim (for example damage to the model) will be: -

- a) if repairs are to be carried out by the insured – 200% of the cost of materials for repair until that amount exceeds 75% of the sum insured when the full sum insured will be payable
- b) if repairs are to be carried out professionally – invoice cost limited to the sum insured (comparative estimates will be required)

Loss of Value following Repair: Insurers will only commit to repairing a model or to pay its market value not to paying for any reduction in its value as a result of having been involved in an accident and/or theft

In the event of a claim, other than a theft claim, the member will retain ownership of the model.

SECTION 2 – ROAD TRAILERS

What is Insured: Your road trailer if damaged stolen or taken without your permission anywhere in the United Kingdom or Europe. The perils covered are: -

- | | |
|---|---|
| a) Fire, Explosion, Lightning & Aircraft | f) Sprinkler Leakage |
| b) Earthquake | g) Theft |
| c) Riot/Civil Commotion/Malicious Damage | h) Subsidence ground heave or landslip |
| d) Storm, Flood, Escape of water from any tank apparatus or pipe | i) Any other accident (which includes accidental damage) |
| e) Impact by any Road and/or Rail vehicle | |

Exclusions: -

- The first £100 of each and every claim is excluded increased to £500 if the trailer is not fitted with either a wheel clamp or a hitchlock
- Loss of use loss or of market value for any reason
- Loss or damage caused by mechanical or electrical faults failures breakdowns or derangements
- Loss or damage caused by wear tear deterioration insect vermin mildew wet & dry rot woodworm atmospheric conditions corrosion act of light heat or any other gradually operating cause
- Damage to tyres from breaking or by punctures cuts or bursts
- Loss of or damage to your trailer resulting from someone taking it by fraud or trickery
- Theft of money or securities of any description

Loss of Value following Repair: Insurers will only commit to repairing a trailer or to pay its market value not to paying for any reduction in its value as a result of having been involved in an accident and/or theft

When the trailer is left unattended and unattached from the towing vehicle it is required that the trailer is fitted with either a wheel clamp or a hitchlock. The trailer will still be covered if this requirement is not met however if the trailer is stolen the usual £100 excess will be increased to £500. Although this security requirement does not apply when the trailer is attached to the towing vehicle the insurance of the trailer contents, insured under Section 1 of this policy, does require additional security when the trailer is left unattended and loaded. It should be noted that many trailer thefts occur in lay-bys and motorway service areas.

Also included is cover for the hire of an alternative trailer following theft or damage to the trailer insured subject to a maximum amount of £20 per day (maximum 10 days). The need for an alternative trailer must be a model engineering related activity.

Driving a car or van with a trailer: All drivers who passed a car test before 1 January 1997 retain their existing entitlement to tow trailers until their licence expires. This means that they are generally entitled to drive a vehicle and trailer combination up to 8.25 tonnes MAM (Maximum Authorised Mass). They also have the entitlement to drive a minibus with a trailer over 750kgs MAM. Drivers who passed their car test on or after 1 January 1997 are required to pass an additional driving test in order to gain entitlement to category B+E which allows them to tow caravans and trailers.

If you require more information about driving a car or a van with a trailer you should obtain the Driver and Vehicle Licensing Agency (DVLA) factsheet INF30 'Towing Trailers in Great Britain'

Towing Vehicle's Motor Insurance: The class of use on some motor insurance policies, particularly motor insurance policies issued on a van, does not automatically include the towing of trailers. It is therefore recommended that before towing a trailer the motor insurance policy of the towing vehicle is checked in order to confirm that the towing of trailers is permitted. Public liability insurance cover for the trailer falls under the towing vehicle's insurance policy whilst the trailer is attached.

Annual premium £7.50 (inc 5% IPT) per £1,000 sum insured (minimum annual premium per trailer £22.50 inc 5% IPT)

SECTION 3 – PERSONAL ACCIDENT

What is Insured: The section provides cover for you and/or for your family anywhere in the United Kingdom or Europe. The operative time of cover is while the insured person is involved in modelling/model engineering activities of all and every kind undertaken in a private capacity including travelling thereto and therefrom the insured person's normal residence. Personal Accident cover is also available via membership of many modelling/model engineering clubs and societies and you may already have some form of cover via that route.

Cover for any invited person driving including boarding or alighting from a model owned by you or any volunteer and/or unpaid helper acting on your behalf or under your instruction is automatically included free of charge if either or both Member cover or Family cover is taken.

Your family is defined as spouse, common law partner, parents (including step and in law), brothers and sisters (including step and in law) and their children, sons and daughters (including step and in law) and their children and their children's children

If the insured person sustains accidental bodily injury, which within two years, is the sole cause of death or disablement the insurers will pay the appropriate benefit to the insured person. If the insured person suffers death or disablement as the result of exposure to the elements the insurers will consider that as having been caused by accidental bodily injury. Bodily injury does not include sickness or disease or any naturally occurring condition or degenerative process or the result of a gradually operating cause (this means that death by a heart attack, for example, is not covered). Exclusions to the cover are: -

SECTION 5 – PRODUCTS LIABILITY

What is Insured: - Many model engineers make or mend items for friends, relations and neighbours – perhaps to replace a broken part no longer available. Quite often there is no payment for the work done. At other times payment is made either in cash or in kind (perhaps a drink at the local pub). Should the part that has been made cause death or injury to a third party or loss or damage to third party property the model engineer may be held liable. This section is designed to cover that liability – cover that is not provided under the Club and Society cover and cover that is not provided under the vast majority, if any, home insurance policies.

The limit of indemnity provided is £2,000,000 any one loss and in any one period of insurance.

Cover is restricted to activities undertaken in a private capacity only. All business activities are excluded.

Premium £22.45 (inc 5% IPT)

SECTION 6a – PUBLIC LIABILITY and SECTION 6b – GARDEN RAILWAY/PORTABLE TRACK LIABILITY

Public liability is liability to third parties. It is liability that arises following damage to third party property or injury to third party persons (injury means bodily injury, mental injury, death, disease, illness, wrongful arrest or false imprisonment). The cover provided by this section extends to include you whilst engaged in modelling/model engineering activities of all and every kind within the geographical limits of UK and Europe.

Railways: Running a miniature railway is, as far as liabilities are concerned, just like full size. Firstly liability arising out of driving and pulling passengers which is covered by section 6a (comparable with GNER, Virgin, Midland Mainline etc) and secondly liability arising out of the ownership/operation of trackwork which is covered by section 6b (comparable with Network Rail). Where the liability for an accident lies depends on the circumstances surrounding the accident, for example if the accident is caused by excessive speed or passing a signal at danger liability will probably rest with the driver but if the accident is caused by faulty trackwork, such as a defective set of points or a broken track weld or faulty signalling, liability will probably rest with the owner or operator of the trackwork.

If all you do is drive on track belonging to someone else (an individual or a society) you only need the cover provided by Section 6a Public Liability (you might already have this cover via the membership of a model engineering club or society – it is recommended that you check with the club/society secretary or insurance company or insurance broker concerned).

If you have your own personal garden railway which is greater than 2½in gauge or your own personal portable track which is greater than 2½in gauge, or if you are borrowing and running someone else's portable track which is greater than 2½in gauge for your own personal purposes (eg the local church fete) you will need the cover provided by Section 6b in addition to the cover provided by either Section 6a or by other cover, equivalent to that, provided via your membership of a model engineering club or society.

Section 6a - Public Liability covers all your modelling/model engineering activities including the driving of locomotives up to and including 15in gauge (you might already have this cover via the membership of a model engineering club or society – it is recommended that you check with the club/society secretary). Section 6a also includes your liability arising out of personal garden railway and personal portable trackwork up to and including 2½in gauge

Section 6b – Personal Garden Railway / Portable Track Liability – covers your liability arising out of your personal ownership and/or personal operation of trackwork of more than 2½in gauge but not exceeding 2ft gauge. The Garden Railway / Portable Track cover extends to include volunteer and/or unpaid helpers acting on your behalf or under your instruction.

The limit of indemnity for Public Liability cover and for Personal Garden Railway / Portable Track Liability cover applies to any one event. Legal defence costs are included with an indemnity limit of £250,000 representing the total amount payable in respect of all costs and expenses arising out of claims during any period of insurance. The following restrictions/conditions should be noted: -

1. In respect of railways cover applies to model or miniature railway locomotives, rolling stock and trackwork not exceeding 2ft gauge owned and/or operated by the insured

2. Cover extends to include gas turbine powered locomotives

3. Cover as required by the Road Traffic Act is not provided – separate cover is available

4. Cover extends to include model aircraft including those powered by rubber motors, internal combustion engines or propelled electrically excluding any kind of rocket or pulse jet unit, gas turbine or turbojet other than 'Jetex' power units. Model aircraft powered by internal combustion engines are restricted to the following: -

b) Free Flight – total engine capacity up to but not exceeding 10cc

c) Line Controlled – Total engine capacity up to but not exceeding 40cc

c) the boiler or pressure vessel concerned has at the time of the incident a valid certificate of hydraulic test and a valid certificate of annual examination and steam test both issued following examinations conforming with the Examination and Testing of Miniature Steam Boilers (New Edition 2006) and any subsequent revisions or

d) the vessel concerned is a small boiler namely that it has a capacity of not more than 3 bar litres or the vessel concerned is a gas tank with a capacity of not more than 180ml when cover shall be in force whether or not a valid thorough examination certificate has been issued or

e) the boiler or pressure vessel concerned is undergoing test by an authorised boiler tester when cover shall be in force whether or not a valid thorough examination certificate has been issued.

Note: It is recommended that small boiler safety valves are tested at least every 12 months in order to ensure correct operation at the correct release pressure and that the boiler the engine and the pipework installation are also checked at least every 12 months.

6. Pollution and contamination is excluded unless the pollution and contamination emanated from an identifiable single source and occurred at an identifiable time.

7. Models must be driven, flown or operated with reasonable care for and attention to the safety of other persons and property and to comply with any statutory enactment or instrument, bye law or other regulation.

8. Any miniature railway and/or any miniature railway locomotives and/or rolling stock of 15in gauge or less owned and or operated by the insured must be run in accordance with Health and Safety Executive guidelines as published in HSG216 – Passenger-carrying Miniature Railways Guidance on safe practice.

This may involve passing information about you to insurers, other intermediaries, risk management assessors, uninsured loss recovery agencies and other third parties involved (directly or indirectly) in your insurance. We may also pass information about you to credit reference agencies and premium finance providers in connection with the assessment of your financial standing generally and, in particular, where you have requested a premium instalment plan – this may include details of your payment record with us. In the interests of security and to improve our service, telephone calls you make to us may be monitored and /or recorded.

YOUR DUTY TO DISCLOSE INFORMATION: It is your responsibility to provide complete and accurate information to insurers when you take out an insurance policy, throughout the life of the policy, and when you renew your insurance. It is important that you ensure all statements you make on proposal forms, claim forms and other documents are full and accurate and we recommend that you keep a copy of all correspondence in relation to the arrangement of your insurance. Please also note that any renewal of insurance will be made in reliance upon the information provided by you in connection with your previous insurance policy – we will assume that such information remains correct unless you tell us otherwise. Please note that if you fail to disclose any material information to us and your insurers, this could invalidate your insurance cover and could mean that part or all of a claim may not be paid. You should take particular care to check the accuracy of all information you provide.

NOTIFICATION OF INCIDENTS/CLAIMS: It is essential to notify us immediately of all incidents that may result in a claim against your insurance policy. You must do so whether you believe you are liable or not. Any letter or claim received by you must be passed to us immediately, without acknowledgement. Only by providing prompt notification of incidents can your insurance company take steps to protect your interests. Your policy summary and/or policy document will provide you with details on who to contact to make a claim. Claims payment will be made in favour of you. If you require a payment to be made to a third party then you must confirm the required payee name and details and provide a brief explanation for your request. Please contact us for guidance on claiming under your policy.

CANCELLATION: Your policy document will detail your rights to cancel your insurance once you have taken it out. Depending on the type of policy you have purchased, you may be entitled to cancel within 14 or 30 days of either conclusion of the contract or receiving your policy documentation, whichever occurs later. Where you cancel a policy before renewal you will be responsible for paying a charge to meet the cost of cover provided and administration expenses. Please see the Charges section. To enable your insurer to process the cancellation, you will need to return certificates and any official documents to our office within 30 days of your notice to cancel.

COMPLAINTS: It is our intention to provide you with the highest possible level of customer service at all times. However we recognise that things can go wrong occasionally and if this occurs we are committed to resolving matters promptly and fairly. Should you wish to complain you may do so:

- By Fax on 0114 250 2777

- In person by visiting our office (see above for address)

Should you not be satisfied with our final response, you may be entitled to refer the matter to the Financial Ombudsman Service (FOS). Further details will be supplied at the time of responding to your complaint.

SOLVENCY OF INSURERS: We cannot guarantee the solvency of any insurer with which we place business. This means that you may still be liable for any premium due and not be able to recover the premium paid, whether in full or in part, should an insurer become insolvent.

TERMS OF PAYMENT: Our payment terms are as follows (unless specifically agreed by us in writing to the contrary):

- New policies: immediate payment on or before the inception date of the policy
- Alterations to existing policies: immediate payment on or before the effective date of the change
- Renewals: due in full before the renewal date

If payment is not received from you in accordance with the above terms, we, or your insurer may be forced to cancel or lapse the relevant policy/policies, which could mean that part or all of a claim may not be paid. When renewal is invited and the policy is paid by monthly direct debit, we will issue a notice to you. To ensure you are not left without cover, the absence of a response to this notice will be deemed as your consent to cover being renewed automatically. If any direct debit or other payment due in respect of any credit agreement you enter into to pay insurance premiums is not met when presented for payment or if you end the credit agreement we will be informed of such events by the credit provider. If you do not make other arrangements with us to pay the insurance premiums you acknowledge and agree that we may, at any time after being so informed, instruct on your behalf the relevant insurer to cancel the insurance and to collect any refund of premiums which may be made by the insurer and if any money is owed under your credit agreement pay it to the credit provider or if we have already been debited with the amount outstanding use it to offset our costs. You will be responsible for paying any time on risk charge and putting in place any alternative insurance and/or payment arrangements you need.

Any payment we receive from you will be held by The Broker Network Ltd, which pays insurers on our behalf, in a Non Statutory Client Trust Bank Account held with RBS, HSBC or Alliance and Leicester. In some cases the payment we receive will be held on behalf of the provider with whom we arrange your policy as their agent. This means that any payment you make to us will be regarded as having been paid to the provider. This is known as risk transfer. By operating a Non Statutory Trust The Broker Network Ltd is permitted to, and may use such monies to cross fund clients premiums and claims. Please make all cheques payable to "The Broker Network Ltd" By instructing us to place insurance on your behalf you give your informed consent to these Client Money procedures. If there are any matters which you do not understand, or do not accept, you should discuss them with us before proceeding. We may pass the money you pay us to another intermediary. We will only do this where it is a necessary part of the process of arranging cover for you. Where this includes intermediaries outside the UK, the legal and regulatory regime may be different from that of the UK. In the event of the intermediary failing money may be treated differently than if it was held by an intermediary in the UK. You may notify us if you do not wish your money to be passed to a person in a particular jurisdiction. No interest will be payable to customers in respect of the client account. Any interest earned will remain in the ownership of The Broker Network Ltd.

FINANCIAL SERVICES COMPENSATION SCHEME (FSCS): We are covered by the Financial Services Compensation Scheme and you may be entitled to compensation from the scheme if we cannot meet our obligations. Further information about compensation scheme arrangements is available from the Financial Services Compensation Scheme at www.fscs.org.uk

CHARGES: In addition to the amount charged by insurers we also make charges to cover the administration of your insurance as detailed below: -

| | | | |
|--------------------------------|--------|-----------------------|--------|
| Non refundable arrangement fee | Nil | Mid-Term Amendments | £10.00 |
| Renewals | £6.00 | Lost papers/documents | £10.00 |
| Reissue of Cover | £10.00 | Temporary change | £10.00 |

Where we arrange low or non-commission paying products, we will charge an arrangement fee not exceeding 30% of the premium, and will advise you of the actual amount at the time of quotation or renewal. These fees may be subject to change. Where there are changes, we will confirm this clearly and the actual amount will always be disclosed to you before you commit to purchasing the product. As insurance brokers we earn our income predominantly from commission paid to us by insurers based on the amount they charge you. You are entitled, at any time, to request information regarding any commission which we may have received as a result of placing or renewing your insurance cover. We may occasionally receive additional remuneration from certain insurers for insurance policies we place with them. Please ask us should you require further information

REFUNDS: Where a policy is cancelled before renewal, insurers charge to cover their costs, with the balance refunded to you, subject to no claim having been made. The following scale of refund will apply: -

| | | | |
|------------------------------|-----------------|-----------------|-----------------|
| Period of Cover | Up to 120 days | 121 to 150 days | 151 to 180 days |
| % of Annual Premium Refunded | 50% | 40% | 30% |
| Period of Cover | 181 to 210 days | 211 to 240 days | Over 241 days |
| % of Annual Premium Refunded | 20% | 10% | Nil |

In the event of an adjustment giving rise to a return of premium the amount may be refunded or held to credit. Insurers reclaim commission paid to us when you cancel a policy before renewal or where there is a mid-term alteration to your policy which results in a refund of premium. The amount reclaimed is based on the number of days until the planned renewal date. As a consequence, we will make a deduction to the value of the commission reclaimed, from any return premium owing to you. For certain commercial insurance policies, insurers will only provide cover where the premium is due in full on inception of the policy. This means that no refund will be paid if the policy is cancelled before renewal. We will advise you if this affects you. In view of the cost involved in making changes to your policy we will not issue refunds of less than £31.50.

GENERAL: If any provision of these Terms is found to be invalid or unenforceable in whole or in part, the validity of the other provisions of these Terms and the remainder of the provision in question will not be affected. These Terms shall be governed by the laws of England and Wales and the parties agree herewith that any dispute arising out of it shall be subject to the exclusive jurisdiction of the relevant court. These Terms supersede all proposals, prior discussions and representations (whether oral or written) between us relating to our appointment as your agent in connection with the arranging and administration of your insurance. These Terms constitute an offer by us to act on your behalf in the arranging and administration of your insurance. In the absence of any specific acceptance communicated to us by you (whether verbal or written) you are deemed to accept our offer to act for you on the basis of these Terms, by conduct, upon your instructing us to arrange, renew or otherwise act for you in connection with insurance matters.
